

Organization of CECNU

Undergraduate Schools / Departments and Degree courses

School of Applied Chemical Engineering Chemical Engineering Fine Chemicals Photonic & Electronic materials	Department of Energy & Resources Engineering
School of Architecture Architecture Architectural Engineering	Department of Environment and Energy Engineering
Department of Biotechnology and Bioengineering	Department of Industrial Engineering
Department of Civil Engineering	School of Materials Science and Engineering Metallurgical Engineering Ceramic Engineering Photoelectronic Engineering
Department of Electrical Engineering	School of Mechanical Engineering Mechanical Engineering Automotive Engineering
School of Electronics and Computer Engineering Electronics, Information and Communications Engineering Computer, Information and Communications Engineering Software Engineering	School of Polymer Science and Engineering Polymer Engineering Convergence Fiber Science & Engineering

Graduate School

Department	
Department of Architectural Engineering	Department of Polymer Engineering
Department of Civil Engineering	Department of Chemical Engineering
Department of Energy and Resources Engineering	Department of Advanced Chemicals and Engineering
Department of Environment and Energy Engineering	Department of Electronics and Computer Engineering
Department of Mechanical Engineering	Department of Industrial Engineering
Department of Materials Science and Engineering	Department of Electrical Engineering
Interdisciplinary Programs	
Interdisciplinary Program of Bioenergy and Biomaterials	Interdisciplinary Program of Advanced Production Engineering
Interdisciplinary Program of Energy and Clean Technology Engineering	Interdisciplinary Program of Photonic Engineering
Interdisciplinary Program of Urban Engineering	Interdisciplinary Program of Perfume & Cosmetics
Interdisciplinary Program of Geoscience and Geosystem Engineering	Interdisciplinary Program of Software
Interdisciplinary Program of Mechatronics Engineering	Interdisciplinary Program of Information Security

Graduate Schools of Industry and Technology

Master's Course (night time)
Department of Architectural Engineering
Department of Mechanical Engineering
Department of Industrial Engineering Textiles Engineering and Cloth Design Industrial Engineering Biochemical Engineering
Department of Materials Engineering
Department of Electrical Electronics and Computer Engineering Electrical Engineering Electronics Engineering Computer Engineering
Department of Civil Engineering
Applied Chemical Engineering
Department of Environment and Energy Engineering
Department of Agricultural Development
[AISP] Advanced Industry Strategy Program

Educational Research Support Organizations	
Scholarship Research Foundation in the College of Engineering	Industry-University & Institute Partnership Division Center
Research Facilities Center	Center for Development of Fine Chemicals
Innovative Center for Engineering Education	College of Engineering Computing Institute
Engineering Research Institute	Global Cyber Lab.
College of Engineering Annex Laboratory	
Polymer Science & Technology Research Center	Systems Automation Research Institute
Institute for Advanced Materials & Technology	Electronic & Telecommunication Technology Research Institute
Construction & Environment Research Institute	Soil Technology Research Institute
Mining and Geosystem Disaster Research Center	Institute of Bioindustrial Technology
Solar Energy Research Institute	Biohousing Research Institute
CNU Auxiliary Laboratory	
The Research Institute for Catalysts	System Security Research Center
Automobile Research Institute	Functional Surface Engineering Lab.
Environmental Research Institute	Robot Research Initiative
Information & Communications Lab.	International Resources Development Center
Architectural Science & Technology Institute	Hydrogen & Fuel Cell Research Institute
Alan G. MacDiarmid Energy Research Institute	CNU- Fraunhofer-IPA Int'L Collaboration Research Center
External Cooperation Centers	
Business Incubator	CNU Mobile Device Interface Research Center
Gwangju Techno Park Support Center	Samsung Energy Power Research Center
Gwangju Green Environment Center	Samsung Gwangju Electronics R&D Support Center
Photonic & Optical Education Learning Center	LG Innotek R&D Support Center
IC Design Education Center	Samsung Talent Program-CNUSupport Center
CNU Leaders in Industry-university Cooperation	Kumho Electronic talent program-CNU Support Center
